Brisalia

# Log your symptoms. Arrive at your appointment with clear answers.

- About a minute a day
- A one-page summary for your doctor
- Free, no account: your data stays on your phone

Scan to learn about Brisalia
brisalia.app/en
For iPhone and Android

Recommended by .....

Brisalia is a symptom diary, not a medical device, and doesn't replace your doctor's advice. If you have bleeding or symptoms that worry you, see a doctor without waiting.
